BAYS RESPECT Campaign

What do we want CLUBS to do:

- Share the BAYS **RESPECT** campaign directives with your coaches, parents, players and referees via email and reinforce it at your preseason Coach and Referee meetings.
 - Mass Youth Soccer [Codes of Conduct](#)
- Add your own voices within your clubs to amplify BAYS' efforts to make **RESPECT** the hallmark of our game.
- Consider suggesting that teams have Spectator Sideline Monitors to help ensure a positive and supportive cheering section for all.
- Armbands will be sent to new Active and Pending refs

Zero Tolerance

- New Policy - Still in development
- New Ratings Guidelines - Confirm
- Assignors to follow up on all home ZT reports

Emphasize Game Management

- Review LOTG regarding fouls and misconduct:
 - Swearing, especially directed at someone specifically, is a straight red card
 - Using offensive, insulting or abusive language and/or action(s), especially directed at someone specifically, is a straight red card
 - Flagrant taunting, demeaning, or other derogatory language directed toward an opponent or the referee could be a yellow card or a red card depending on the severity of the incident.
- Encourage referees to immediately address unsportsmanlike behavior, like taunting, trash talking, name calling, etc. which often can escalate quickly if left uncalled.
- Early game management is key!
 - Even just holding up the game to speak to players signals to all that referees are watching, aware, and going to take action
 - Showing cards also helps maintain control
 - Yellow cards have minimal lasting consequences for the players, yet can significantly curb undesirable behavior on the field

Pre-Game BAYS Laws

 - An adult credentialed person is present to coach each team
 - Both teams provide an official roster to the referee (MR1).
 - A friendly can be played if the two rosters are not provided.
